

NOTICE TO MARINERS L26 of 2017

SEA REACH

TEMPORARY SOUTH CARDINAL MARK

OIKOS JETTY No.2 EXTENSION

Mariners are advised that on or about 17th October 2017 as part of works to the Oikos Jetty No. 2, a temporary south cardinal mark will be installed in position 51° 30' 20.457"N 000° 33' 37.183"E as shown on the following chartlet.

The south cardinal will indicate the safe side to pass in relation to piling works which are currently ongoing for the extension of the existing No. 2 jetty.

The Oikos Deep Water Jetty No. 2 Extension is a project to extend the existing jetty to provide deep water berthing approximately 270m further out into the channel to accommodate larger vessels. These works are expected to last until the summer of 2018. During these works crane barges and jack-up barges will be in various positions around the work site.

For the latest information contact London VTS on VHF Channel 68 or by telephone on 01474 560311.
