

NOTICE TO MARINERS
LONG REACH

VOPAK WALKWAY WORKS

Mariners are advised that, on or about 28th November 2023, contractors instructed by Navigator Terminals will carry out works at Vopak No. 2 Berth.

These urgent works are to reinstate a repaired walkway and will involve lifting operations to be carried out by a crane barge. Workboats and safety boats may be in attendance. Works are expected to be completed within 1 day of commencement and will occur between the hours of 0900 and 1700. The general location of the works is shown by the red box on the chartlet below.

Requirements to proceed with caution or at slow speed will be made in accordance with the procedures set out in the Port of London Authority's Port Information Guide, under 'London VTS', 'Section 4' with the International Code Flags 'Romeo Yankee (RY)', which are illustrated below, displayed. The display of these signals will be in addition to any lights, shapes or signals required by local regulations or the International Regulations for Preventing Collisions at Sea.

RY:

Further details will be broadcast as needed by London VTS on VHF channels 68
