

BLACKWALL REACH

BLACKWALL POINT (CHARRINGDONS WHARF)

RIVER WALL MAINTENANCE WORKS

On or about Monday 16th October 2023, Cognition Land and Water will be undertaking maintenance works on the river wall at Blackwall Yard in Blackwall Reach. These works are expected to last 7 weeks.

To support these works the Scaffloat vessel DAGGER will be moored in various locations along the river wall within the red box shown above. Works will be supported by the safety boat SCAFFLOAT TENDER 2. Working hours are expected to be 07:00 to 18:00 Monday to Friday and 08:00 to 13:00 Saturday.

Requirements to proceed with caution or at slow speed will be made in accordance with the procedure set out in the Port of London Authority’s [Port Information Guide](#), under ‘London VTS’, ‘Section 4’.

Masters of passing vessels should have due regard for the effects of their wash including the possibility of rebound from the river wall and the combined effect of wash from other vessels.

The safety boat SCAFFLOAT TENDER 2 will be on station during working hours and maintain a listening watch on VHF Channel 14.

‘Romeo Yankee’

Further details will be broadcast by **London VTS** on **VHF Channel 14**, as required.
