

NOTICE TO MARINERS No.M61 of 2010

WAPPING PIER – REPAIRS TO DOLPHINS UPPER POOL

On the **6th September 2010 for approximately 2 weeks**, the crane barge MONTY and the tug REVENGE will be conducting repairs to the dolphins on which Wapping Pier is secured. During the works these vessels will be operating between Wapping Pier and Mill Stairs buoy, just below Butlers Wharf.

When working MONTY will be moored on the upper or lower end of Wapping Pier and shall display the lights and shapes as prescribed in Rule 27 of the International Regulations for Preventing Collisions at Sea 1972 namely:

- By day, three black shapes in a vertical line the highest and lowest of which are balls and the middle one a diamond.
- By night, three all round lights in a vertical line the highest and lowest of which are red and the middle one white.

Further details will be broadcast by London VTS on VHF Channel 14.

Persons in charge of vessels are to navigate with extra caution and proceed at slow speed when passing the works.
