FREE TRADE WHARF – EXCLUSION ZONE AND SPEED REDUCTION

The Port of London Authority (PLA) has been informed by the owner of Free Trade Wharf that the timber structures referred to as Charrington Jetty and Newcastle Jetty are structurally unsound and there is the potential for a catastrophic failure of the structures, which could put persons at risk of harm.

Accordingly, mariners are informed that, effective immediately, the PLA establishes an Exclusion Zone in the vicinity of Free Trade Wharf. The boundaries of the Exclusion Zone are indicated in red on the chartlet below: -

No vessel is to enter inside, or remain within, the Exclusion Zone except (i) vessels permitted by the PLA to make use of the Stone Stairs barge moorings; or (ii) vessels with the express prior permission of London VTS. The attention of Vessel Masters is drawn to General Direction 17.1(a) of the General Directions for Navigation in the Port of London 2021.
