

NOTICE TO MARINERS U16 of 2019

BARN ELMS REACH LOCAL TRAFFIC CONTROL FILMING OPERATIONS

On **Friday 12th July 2019** filming operations will take place in Barn Elms Reach between Fulham Reach Boat Club and the upriver end of Dove Pier. Operations will be undertaken between **07:00** and **17:00** in the vicinity of Hammersmith Bridge, as shown in the chartlet below.

In order to accommodate these operations, Local Traffic Control will be undertaken from PLA Harbour Service Launches stationed either side of Hammersmith Bridge. All vessels intending to navigate between Fulham Reach Boat Club and Dove Pier are to call 'HAMMERSMITH CONTROL' on VHF Channel 14 as follows:

- Inbound at Tea Rose Jetty
- Outbound at Chiswick Eyot
- Prior to leaving a berth or mooring between Tea Rose Jetty and Chiswick Eyot

For those river users without a VHF aboard, you are required to make contact with the attending Harbour Service Launches, to gain permission to proceed.

All vessels are to navigate in these areas with caution, maintaining a continuous watch on VHF Channel 14 and follow the instructions from the attending Harbour Service Launch exhibiting flashing blue lights. Whilst endeavours will be made to lessen the impact on river traffic at this time, operators should be aware that there may be delays to vessels of up to 10 minutes during this period.

Further details will be promulgated by **London VTS** on VHF Channel 14 during routine river broadcasts.
